Program Advisory Committee Chairman's Report

The Program Advisory Committee was very pleased to receive word in September of the action taken by the APSEA Board of Directors regarding the recommendations made by the PAC on "Vocational Training Programs for the Hearing Handicapped." It was particularly gratifying to see the need for a job placement officer recognized and support given to the International Symposium to be held in conjunction with the 25 anniversary of the Centre. During the school year, the PAC was also pleased by the actions taken by the staff of ATVC to implement the various recommendations directed at them that were contained in the vocational study.

The 1985-86 school year saw the Advisory Committee change its focus from vocational programs to off-campus services. In cooperation with key staff involved, a study of those services and the current level of consumer satisfaction regarding them was begun. The Advisory Committee felt it was important to review the range of services now offered with staff while also surveying local school principals, teacher and parents to determine their views. Because of the time required to conduct this survey and analyze the results, only two meetings of the PAC - December 11 and May 5 - were held. However, both of these were long productive sessions with a considerable amount of work being done.

The preliminary results from the study indicate a generally good level of satisfaction from consumers of off-campus services. The Advisory Committee expects to have the final report on off-campus services completed for presentation to the APSEA Board of Directors at its meeting in the fall of 1986.

I would like to thank the members of the Advisory Committee, the Director and the staff of APRCHH for their excellent cooperation and hard work during the past year.

Respectfully submitted,

Tom Rich

Tom Rich, Chairman

THE DIRECTOR'S REPORT

Mr. Tom Rich
Chairman and Members of the Program Advisory Committee
Atlantic Provinces Resource Centre
for the Hearing Handicapped
Amherst, Nova Scotia

Ladies and gentlemen:

Students:

During the 1985-86 school year student enrollment was:

	N.B.		N.S.		P.E.I.		Nfld.		Gov. of Canada		Total
	M	F	M	F	M	F	M	F	M	F	
Academic	15	9	20	16	2	2	1	0	0	1	66

Administration:

Directors Administrative Advisory Council

The Advisory Council Meetings were held monthly by the Director throughout the year with members of the professional staff of the Resource Centre. At that time, administrative/supervisory staff discussed educational problems and planned programms for hearing impaired children enrolled at the Resource Centre.

APSEA Administrative Workshops

Members of the Administrative Supervisory Staff of the Resource Centre attended workshops conducted by APSEA at Liscombe Lodge, N.S., in October, 1985 and in Moncton, N.B., in March 1986.

APRCHH Workshops

Professional staff participated in two workshops during the year. The fall workshop in November was devoted to a number of mini sessions conducted by staff of the Resource Centre. In addition Dr. Swaine, Psychologist, discussed the behavioural and emotional problems of children. At the spring workshop in May, Mr. John Anderson, Superintendent of Saskatchewan School for the Deaf and an associate, presented a workshop on teaching responsibility to children.

Deaf/Blind Workshop

Dr. Maida Follini and her staff conducted their annual workshop for parents, just prior to the March break.

Parent Education Workshop

Off-campus supervisors and staff organized and conduct a workshop for parents of pre-school hearing impaired children. This is an annual affair.

25th Anniversary Celebration

The 25th anniversary of the establishment of the Interprovincial School for the Deaf was celebrated during the year. A number of activities were carried out including the following: 1) Anniversary calendars were prepared, 2) Anniversary picture booklet printed, 3) an Anniversary banquet was held in May, 4) a 25th Anniversary logo was designed and imprinted on all stationery used by the Resource Centre, 5) Anniversary pins were made and distributed by the Marsden Departmen A committee was struck and planned for a 25th Anniversary Symposium to be held in the fall of 1986 with international speakers invited to present papers.

25 Years Service Award

Included in the program last year at the 25th Anniversary & Retirement Banquet, 11 staff members were awarded recognition of their 25 years service employed at the Centre. Those recognized were:

Donald Fairfax	*Alden Jimmo*	*Barbara Hood*
Russell Fisher	*Gordon Martin*	*Jean Henley*
Elaine Ward	*Charlie Reid*	*Stuart Fraser*
Rodger Chapman	*Diane Estabrooks*	

Program Advisory Committee

During the 1985-86 school year the Program Advisory Committee studied off-campus programs and services in Nova Scotia and New Brunswick. Serving as consultants to the committee were the director and four off-campus supervisors and the educational audiologist.

International Team of Experts Visit

An international team of experts associated with the Centre for Educational Research and Innovation visited the Resource Centre on November 25th. The Centre was one of several Canadian Special Education Programs identified as programs which supported and assisted handicapped persons to make the transition to "life after school". The program has been recommended as an exemplary program because of the innovative approache used in making the transition to adult working life.

APSEA Meeting

The Atlantic Provinces Special Education Authority Board of Directors held their meeting at the Resource Centre on November 15th. From 2-3 P.M. they toured the educational programs offered at the school.

Integration Instrument

Mrs. Joan Beswick, speech and language specialist, completed a manual of instructions for the Integration Instrument previously developed by the staff of the Resource Centre.

Public Relations Booklet

A booklet entitled "The Hearing Impaired Child in Public School" was developed by the staff of the Resource Centre and distributed throughout Atlantic Canada. The purpose of the booklet was to provide information to administrators and teachers who have hearing impaired children integrated into their classes in public school. The booklet was also distributed to provincial departments of education and has received very good reviews.

Paramount Pictures Contribution

Paramount Pictures contributed $1000.00 to the Needy Childrens Fund of the Resource Centre in appreciation of the contribution of Dr. Peter J. Owsley, Director to the filming of the movie "Children of a Lesser God". Approximately 120 students and 20 staff members from the Resource Centre were extras in the filming of the movie in Rothesay, N.B., in the fall of 1985. A total of three visits were made in which students appeared in a cafeteria scene, prom scene, and parents day scene. Philip Holmes, son of the Director's secretary, worked full time on the movie for 11 weeks and played the part of a punk kid who refused to speak. It was an experience that staff or students will not soon forget.

Distinguished Service Award

At the graduation exercises in June, Mr. Russell Fisher, Department Head, Multiple-handicapped, was presented with a distinguished service award for extraordinary contribution to the school by Dr. Peter J. Owsley, Director

School Administrators Conference

The School Administrators Conference for the Province of Nova Scotia was held at the Resource Centre, October 4th & 5th. Featured speaker was Roy Bonisteel who did an excellent job. Other speakers included the Hon. Terence Donahue, Minister of Education, and Dr. Peter J. Owsley, Director of the Resource Centre, who described the educational programs offered by the Resource Centre in the Province of Nova Scotia.

Education

International Peace Camp

An International Peace Camp sponsored by the YMCA was conducted at the Alberta School for the Deaf and environs from Aug. 11-19, 1985, for hearing impaired young people between the ages of 14 and 16. Several students from the Resource Centre were sponsored by The Interprovincial Development Association to take part in the camp.

Report Card

A committee of administrators and teachers developed a new report card for hearing impaired children at the main campus for children between the ages of 6 and 13 years of age.

Terry Fox Centre

Seven students attended the Terry Fox Centre from April 20-26 in Ottawa. They represented students from the academic department, integrated students in public school, dayclass students, and vocational students.

Gallaudet College

Six students from the academic department were accepted at Gallaudet University for the 1986 fall term.

Graduation

Nine students graduated from the academic department and all will be continuing their education. Four of these students were awarded Academic Diplomas. One student received a General Certificate. This is the first time that a diploma for academic excellence has been given.

Deaf-Blind Interveners

Interveners were trained for summer programs for deaf-blind students by the Deaf-Blind Department at the Resource Centre. This program is carried out in a child's home.

Exchange Program

10 students from the Academic Department of Amherst took part in a student exchange at Calgary, the first week in April. The week of May 26, 10 students from Calgary visited the Resource Centre.

Schools Today Display

The Schools Today Program, operated by the Nova Scotia Teachers Union and the Department of Education, invited students from APRCHH to give a dance demonstration at the Mall on April 11th & 12th using balls, hoops and ribbons. They gave the same demonstration on invitation of the Highland Fling Committee at the Amherst Armory.

Residential Schools Integrated

Classes of hearing impaired students at the Resource Centre integrated with the Acadia Street School and the R.B. Dickey School in physical education classes co-ordinated by Ms. Sharman White.

School Camping Experience

Francophone students in New Brunswick took part in a school camping experience for three days at Camp Ectus, near Petit Rocher. The program was organized by Mr. Louis Guay, Supervisor.

Play Day

The annual play day was held June 11, 1985 with students from the residential school, ATVC, dayclasses and integrated students participating. A delicious picnic barbecue was served and the day was culminated by a balloon release by all students and staff.

Winter Carnival

The Winter Carnivals in the academic and vocational departments were held in February with kings and queens, snow sculptures, staff/student volleyball game, a skating party, bowling and a sock-hop dance.

Teacher Education

TED Reunion

A reunion was held of graduates of the Teacher Education Department in May in connection with the 25th Anniversar celebration. A large number of graduates of the program from Nova Scotia, New Brunswick, Prince Edward Island, Newfoundland, and other parts of Canada participated.

Graduates

Seven students completed the course requirements and graduated with masters degrees in the education of the hearing impaired from the Universite de Moncton/APRCHH Teacher Education Program in June. During the winter, one of the students, Gary Brown, passed away suddenly of a severe cerebral hemmorage. A large number of donations were contributed to a Memorial Fund in his honour and given to his wife. In addition to the seven graduates, Barry Imber a member of the staff at the Resource Centre, completed his M.Ed. program and also graduated with the full-time students.

Atlantic Technical Vocational Centre

Career Week

ATVC conducted a Career Week for academically oriented students the week of April 13th and for vocational oriented students the week of May 26th.

ATVC Job Entry

The Director submitted proposals to Manpower and Immigration for Job Entry Programs in Nova Scotia and New Brunswick. Both of the proposals were approved, with a grant being received of $172,000 in Nova Scotia for 20 hearing impaired young adults and for New Brunswick in the amount of $86,000 for 10 students.

Future Directions: Vocational Training Program

At the August, 1985 meeting of the APSEA Board of Directors, Mr. Arnold Jones presented a report entitled "Future Directions: Vocational Training Programs for the Hearing Handicapped" to the Board. This report was prepared by the Program Advisory Committee with the assistance of Mr. Jack Clarcq and Dr. Kenneth Nash of the National Technical Institute for the Deaf in Rochester, N.Y. Also, serving on the commitee as consultants were Dr. Peter J. Owsley, Director, Mr. Doug Page, Principal, and Mr. Stuart Fraser, Vice-Principal, ATVC.

Assessment Team

The Assessment Team consisting of the psychologist, audiologist, and speech & language specialist with Mrs. Joan Beswick serving as team leader, evaluated/ assessed a large number of hearing impaired children during the school year. The work of this team has been outstanding and in addition to providing the objective testing participated in the assessment team meetings at which educational recommendations and placements were made.

Conclusion

It has been a very hectic year in Atlantic Canada in the education of hearing impaired children. Educational programs have continued to be strengthened and new programs introduced. In a study of off-campus programs, most parents indicated that they were very pleased with off-campus educational programs, and the service that was offered through the Atlantic Provinces Special Education Authority for their children. The Director, appreciates the continued financial support that the Resource Centre has received from the APSEA Board of Directors, as well as the personal support that he has received in the administration of the programs.

Respectfully submitted,

Peter J. Owsley, Ed. D.

Dear Dr. Owsley:

Re: Annual Report of Sickness
and Accidents for 1985-1986

Statistics attest to the fact that the 1986-1986 academic year was a busy one at the School Infirmary.

There were no serious illnesses or injuries. The usual range of illnesses were treated by the infirmary staff with a flu morbidity increase in January and February.

We appreciate the co-operation of the Out Patient Department of Highland View Regional Hospital and the General Practice Rota which completes the 24 hour availability of medical care. Ear, nose and throat clinics are held alternate weekends at the hospital with Halifax consultants Dr. J. Donaldson and Dr. Martin. Consultations have also been arranged with orthopedic, ophthamological, general surgical and psychiatric consultants. We are very fortunate that Dr. W. Gill (psychiatrist) was available to hold several conferences at the school regarding behaviour modifications and psychotropic medication.

A dental hygiene clinic was held at the school in September/October and a good oral hygiene continues to be stressed by the nursing staff. Physiotherapy services were available for part of the school year.

No serious accidents occurred and there were no diabetics in school this year.

Two students were investigated for seizures and are being treated effectively with anticonvulsant medication. All students on regular prescriptions receive routine blood checks at NVRH.

All students in the Fearon Unit and all female students in the school were tested for Rubella immunity. The two female students who were non-immune received Rubella vaccine.

Female students are seen at their request in my office for gynecological examinations and contraceptive advice, I am concerned that a significant number lack any interest in protection against conception despite admitted need, and I recommend increased counselling in this field and the availability of protectives.

It has again been a pleasure to work with the observant, efficient and caring staff of the infirmary. Medications and treatments were administered competently and without error.

Yours sincerely,

Gillian Lawrence, MB., B.S.

All educational services and classes for deaf persons in both New Brunswick and Nova Scotia, regardless of vocation, are administered from the central campus at Amherst and are under the direction of the Director.
